

# FREE LEAD-SAFE TRAINING

## Get Certified to Get Employed!

The U.S. Environmental Protection Agency (EPA) wants *your* help to prevent childhood lead poisoning in Indiana.

**WHAT is lead-safe training:** Renovation or maintenance in any home, school, or daycare built before 1978 must be completed by individual(s) certified by EPA Lead Renovation, Repair, and Painting (RRP) Training. Training is funded by Region 5 EPA. Public Health & Safety, Inc. (PHS) is accredited to teach Lead Renovator Initial courses for you to become certified.

**WHO is this for: Anyone.** Regulators, code officers, students, electricians, plumbers, painters, window specialists, HVAC workers, renovators, building code officials, code officers, contractors, landlords, residents, and anyone who would like to work to prevent lead paint exposure!

*Attendees are to be residents or workers within the local areas of South Bend, Goshen, and Elkhart Indiana and be at least 18 years of age.*

### WHERE will the free training be held:

Public Service Building, 4230 Elkhart Road  
Goshen, IN 46526

### WHEN will the free training be held:

Wednesday, October 04, 2023, 8:00 am – 4:00 pm

### HOW to join:

Please register at your soonest convenience by contacting 312/ 491-0081 or by using the camera app on your phone with the above QR code

### WHY is lead-safe training important to the Elkhart, Goshen, & South Bend community?

- It is the Law-- without training, a firm is responsible for fines up to \$37,500 per day
- Protect your family, community, workers, children, and self from serious chronic health risk
- Avoid poisoning children, prevent lawsuits, and stop losing work to certified competitors
- Certified contractors are registered and thereby recognized on the EPA's website

\*Must be fluent English, show ID, and provide proof of residence upon start of course.

\*Training will include hands on learning, modules, and an exam.
